

## **2024 RECREATIONAL FACILITY GUIDELINES**

### GENERAL

Owners of Year-Round Renters who do not pay their Recreation Fee may NOT be the guest of another Owner or Year-Round Renter who pays a recreation fee.

Renters who have not paid the Borough recreation fee for renters may NOT be the guest of another renter who pays a recreation fee. The non-paying renter must pay the appropriate current daily charge.

Family member of current Fenwick property owners who rent another Fenwick cottage will not be charged additional fees during the rental period if they are covered by a paid multi-family fee in their own family's cottage.

Multi-Family fees are not intended to allow members of a family unit residing outside the Borough to use the golf, tennis, or beach facilities on a "regular basis". Special requests must be forwarded to the Fenwick Park Commission for review.

Owners, Year-Round or Seasonal Renters are allowed to make 2 tee times per day for that family. Special requests may be forwarded to the Fenwick Park Commission for review. Residents covered by a multi-family fee who rent other Residents' cottages are allowed 2 tee times per day for that family.

### HOUSE GUEST USE OF RECREATIONAL FACILITIES

#### Overnight Guests:

Guests who spend 1-7 nights in the residence of a host who has paid a recreation fee may use the facilities at no additional charge. After 7 nights, appropriate daily fee must be paid. The host must make the tee times for the guest and introduce the guest to the starter. This is done to ensure the legitimacy of a guest using the facilities.

#### Day Guests:

Each cottage is limited to 6 day-guests per month without charge, but no individual day guest may play more than twice per month. The host must make the tee time for the guest and introduce the guest to the starter

### JUNIOR PROGRAM PARTICIPATION

Participation in the Junior Program is limited to the children of Fenwick property owners, Fenwick residents, their house guests, Fenwick renters (July and August), and direct lineal descendants of the above.

Junior Program charges are collected separately by Jeff Champion, General Manager, Borough Office, on behalf of the Junior Program.
